First Annual Lawn and Garden Awards

When

June - August 2012

Why

Landscaping and gardening help make your home and neighborhood more beautiful. They're also a great chance to go outside, get some exercise and relax.

How it works

There is no entry form or fee. All Habitat homeowners are automatically entered. Habitat staff and volunteers will drive by homes throughout the summer and take pictures of your front yard. They will vote on the homes at the end of each month and post the best gardens on Habitat's website.

Prizes

To be announced the week after Labor Day

- 1) \$300
- 2) \$200
- 3) \$100

Honorable Mention
